

Join us and be a part of this exciting journey!

We are building a new hospital facility, and expanding our programs and services.

Committed to the highest standards of care, West Park Healthcare Centre is a University of Toronto affiliated rehabilitation and complex continuing care Centre with 294 inpatient beds, and a 200 bed Long Term Care facility. The Centre provides a number of highly specialized provincial, regional and local programs, and has earned an international reputation for clinical excellence, research and education. In 2023, we will open our new 730,000 square foot world-class hospital facility, transform the 27-acre campus, and incorporate the best and latest in architectural design, emerging technologies and stunning therapeutic landscapes to help patients in their journey from crisis to hope.

If you have a passion for leadership, research, clinical teaching and program development – we want to hear from you. We are currently seeking physicians holding Royal College Certification in Geriatric Medicine, who are licensed to practice in Ontario.

As an integral member of the team, the successful candidate(s) will lead the Centre's Specialized Geriatric Services Program through the continued development and design of various services, in response to the increasing need of the communities we serve. He/she will also serve as a subject matter expert, and a representative on a number of external committees and regional tables.

Our current program is multifaceted and includes: Inpatient consults across various rehab /CCC service units; including the Geriatric Re-activation and Low Tolerance units, Geriatric Inter-professional Clinic, Telemedicine Impact Plus program, and consults within the West Park Long-Term Care Centre, located on our campus. The successful candidate will work in a collegial interdisciplinary team-based care environment with, geriatric psychiatrists, social workers, occupational therapists, physical therapists, pharmacists, recreational therapists and others.

- Remuneration is via fee-for-service billing to OHIP.
- An Alternative Payment Plan is also available which complements specific aspects of our Geriatric Program.
- Additional revenue streams may be available for supervising learners/trainees.
- Eligibility for academic appointment at the University of Toronto, is considered an asset
- New graduates are welcome to apply.

To join our team, please forward a letter of interest along with you curriculum vitae to:

Dr. Bikramjit Dhillon, Chief of Staff (c/o Alicia Dean, Manager Medical Affairs)
